

LEVERLOCK®

Easy-Locking Interior Mirror System

ABOUT LEVERLOCK®

Rosco's interior mirrors like the 6" x 30" flat mirror with safety glass are found on almost every school bus made in North America. Their durable, heavy duty construction provides years of continuous and reliable performance in monitoring students and ensuring safety. Some fleets have multiple drivers per bus and adjust mirrors frequently. Others just want simpler and quicker mirror adjustability with a powerful hold that can't drift down in challenging road conditions. The Leverlock does just that...

FEATURES AND BENEFITS:

- Patented LeverLock® system makes mirror adjustment easy and safe for all drivers
- Eliminates the need for tools to adjust over-tightened mirrors
- LeverLock® mechanism engages and disengages with the flip of a handle
- LeverLock® is compatible with Rosco's MOR-Vision™ STSM630 mirror/monitor
- Cushioned grip for comfort
- No knobs to turn
